

# NEBOSH National General Certificate

The NEBOSH National General Certificate in Occupational Health and Safety is the most widely held health and safety qualification in the UK. Level 3 in the National Qualification Framework, and is accredited by the QCA, CEA and Dells.

## Who should attend the NEBOSH General Certificate?

Managers, supervisors and staff from all types of organisations who need a broad understanding of health and safety issues. The certificate helps them manage risks effectively.

### Professional Body Memberships

On successful completion of the course you will be entitled to membership of IOSH (at Tech IOSH level) and the IIRSM (at Associate Membership level).

We consistently achieve pass rates approaching **90%**, with many candidates receiving credit and distinction grades.

### Course and Duration

The course is split into two distinct units:-

Management of Health and Safety  
Controlling Workplace Hazards

The PHSC course comprises of 10 days teaching plus 2 days for the examination and practical assessment (Private study outside of teaching times will be required).

The assessment consists of two examinations (one for each unit) and a practical health and safety assessment of a workplace.
